b. Applicants are responsible for the payment of costs associated with fingerprint background checks and criminal history investigation.

c. Upon receipt of a complaint or an allegation or upon information and belief, the Commissioner may request a public chauffeur licensee to immediately submit to a new fingerprint background check and a criminal history investigation.

d. Failure to submit to a background check when requested shall result in the immediate suspension of the public chauffeur license.

RULE CH1.06 Physical Examination Required

a. Applicants must submit a physical exam certification on a form designated by the Commissioner.

1. For renewal applicants, the date of the physical exam must be within one (1) year prior to the date of application.
2. For new applicants, the date of the physical exam must be within sixty (60) days prior to the date of application

b. Applicants are responsible for the payment of costs associated with physical exams.

c. An applicant who possesses a valid State of Illinois issued commercial driver's license (CDL) may present a valid current medical examiner's card in lieu of a physical certification form.

d. Upon receipt of a complaint or an allegation or upon information and belief, the Commissioner may request a licensee to immediately submit to a new physical examination and produce an updated certification.

e. Failure to submit to physical examination when requested shall result in the immediate suspension of the public chauffeur license.

RULE CH1.07 Drug Test Requirement

a. New and renewal applicants for a license must take and pass a drug test as directed by the Commissioner within 24 hours of drug testing form issuance.

b. An applicant must comply with the drug testing requirement set forth in Chapter 9-104.

c. The drug testing must be performed by a BACP approved vendor and must be dated within sixty (60) days of the date of application and issuance of license.

d. Upon receipt of a complaint or an allegation or upon information and belief, the Commissioner may request a licensee to immediately submit to a drug test. Failure to immediately submit to a drug test may result in disciplinary action including at a minimum thirty (30) days suspension of the licensee's license.

e. Applicants and licensees are responsible for the payment of costs associated with drug testing.
RULE CH1.08 Driving History Review Requirement

a. An applicant for new or renewal public chauffeur license must submit a certified copy of their state driving record as directed by the Department.

b. Illinois driver license holders are required to submit abstract pages of his or her Illinois driving history, labeled “Court Purposes” and “Supervision.” Out of state driver license holders are required to submit equivalent abstract driving history documents.

c. Required driving history documents must be dated within sixty (60) days of the date of application.

d. Applicants and licensees are responsible for payment of costs associated with obtaining copies of their driving history.

e. An applicant, new or renewal, must complete a safe and/or defensive driving course prescribed by the Commissioner if the applicant’s state driving history records indicate that the applicant has been convicted, found liable, or placed on supervision by any court or any administrative adjudication process for two or more violations of traffic regulations or laws governing the movement of vehicles, or any public chauffeur rule or regulation:

   a. for new license applicants, within a 12-month period preceding the application; or
   b. for renewal license applicants, within a 12-month time frame during the applicant’s last license term.

f. An applicant issued a state driver’s license with restrictions related to the times of day or areas where an applicant can drive is not eligible for a public chauffeur license.

RULE CH1.09 Rehabilitative Educational Course May Be Required

a. The Department shall post on the Department Web page a list of approved rehabilitative educational courses (safe driving, defensive driving, attitudinal, professionalism, etc.).
b. Upon receipt of a complaint or an allegation or upon information and belief, the Commissioner may request a licensee to enroll and complete a rehabilitative educational course. Failure to complete a directed rehabilitative educational course may result in disciplinary action including, at a minimum, a thirty (30) day suspension of the licensee’s license.

c. If an applicant or licensee is required to take a rehabilitative educational course by agreement, court order, or Commissioner’s directive, the applicant shall have up to 60 days to complete such course. The commissioner is authorized to allow for extensions to complete the course if the course is not available within the first 60 days.

SECTION 2. CONVICTION HISTORY

RULE CH2.01 An Applicant with Four or More Convictions within 12 months

At the discretion of the Commissioner, an applicant may be denied renewal of the applicant’s license if the applicant has within a 12-month time frame during the applicant’s last license term acquired four (4) or more convictions or findings of liability for violations of any of the following: the Public Chauffeur Rules; the Municipal Code of Chicago sections concerning the operation of taxis and public passenger vehicles; rules related to the operation of taxis or public passenger vehicles, the Illinois motor vehicle code; or and other similar rules, laws, or regulations.

SECTION 3. LICENSE RENEWALS AND LOST LICENSES

RULE CH3.01 License Expiration and Time for Renewal

A license shall terminate at 11:59 pm Central Time on the expiration date of the license. The license expiration date shall be listed on the Department issued chauffeur license card. A licensee may renew his or her license in good standing up to sixty (60) days prior to the listed expiration date.
RULE CH3.02  Consequences of License Expiration

Any licensee who fails to renew his or her license within 180 days (6 months) after the expiration in good standing (lapse) of his public chauffeur license card will be required to apply for a public chauffeur license as a new applicant.

RULE CH3.03  Lost Chauffeur License Card

a. Loss or theft of a chauffeur license card shall be reported immediately to the Department and the licensee must also make a formal report with the Chicago Police Department.

b. No duplicate chauffeur license card will be issued to a licensee unless an affidavit detailing the circumstances surrounding the loss of the chauffeur license card is completed and a copy of the police report are submitted to the Commissioner.

c. The fee to issue a duplicate chauffeur license card is $5.00.

SECTION 4. DUTY TO REPORT CURRENT INFORMATION

RULE CH4.01  Legal Residential Address

a. Licensees and applicants must notify the Department of any change of legal residential address within thirty (30) days of such change, and such notice must be submitted on a form approved by the Commissioner with any requested or required supporting documentation.

b. The legal residential address on file with the Department shall be a proper address for service of notice for any violations or any notices sent by the Department.

c. A P.O. Box, virtual, rental or paid-for address shall not be accepted as legal residential address. Mail box services shall not be accepted as legal residential addresses.

RULE CH4.02  Name Change

Licensees and applicants must notify the Department of any change in their name within thirty (30) days of such change, and
such notice must be submitted on a form approved by the Commissioner, accompanied by a certified copy of a court order changing the name or a certified copy of a marriage certificate effecting the name change, or any other requested or required supporting documentation.

SECTION 5. PUBLIC CHAUFFEUR CONDUCT

RULE CH5.01 Discrimination is Prohibited

No chauffeur shall discriminate against a passenger or prospective passenger in violation of the Chicago Human Rights Ordinance. For more information, visit the Commission on Human Relations Web page (www.cityofchicago.org/humanrelations). The Human Rights Ordinance is Chapter 2-160 of the MCC and contains a list of protected classes. A violation of this rule is considered an aggravated offense.

RULE CH5.02 Street Hails and Cab Stand/Cab Line Staging

Only licensed taxi chauffeurs operating licensed taxicabs may respond to requests for transportation service by passenger street hail or passengers in approaching cab stands or cab lines.

Restricted chauffeurs are prohibited from picking up passengers via street hail or from cab stands.

A violation of this rule is considered an aggravated offense.

RULE CH5.03 Only Lessee Public Chauffeur to Operate Leased Vehicle

No person, other than the public chauffeur license that has leased the taxicab or public passenger vehicle, shall permit anyone else to operate that vehicle for hire. Allowing another public chauffeur licensee to operate the leased vehicle is not a defense to this rule. A violation of this rule is considered an aggravated offense.
RULE CH5.04  Refusal of Service

a. After engaged in communication, no taxi chauffeur shall refuse any person transportation to any destination.

b. No taxi chauffeur shall ask a passenger his or her destination on the public way prior to the passenger entering the vehicle and being seated in the vehicle.

c. A public chauffeur must complete service all the way to the destination requested by the passenger.

d. A violation of this rule is considered an aggravated offense.

RULE CH5.05  Cab Stand and Cab Line Protocols

a. Taxicabs entering a cab stand or cab line shall take the rear position.

b. No taxi chauffeur shall pick up or accept a passenger alongside of, in front of, adjacent to, or on the same side of the street on the same city block where there is an established cab stand unless there are no standing taxicabs waiting in the cab stand.

c. Picking up or attempting to pick up a passenger by means of by-passing a cab stand, cab line, or authorized staging area (anywhere in the City including the airports) is prohibited at all times.

d. Nothing in these rules shall be construed to prohibit a passenger from indicating their preference for a particular taxicab standing or waiting in a cab stand or cab line.

e. Taxi chauffeurs must observe and comply with posted cab stand or cab line signage. Taxi chauffeurs may not overcrowd a cab stand or cab line by exceeding the posted taxicab limit.

RULE CH5.06  Taxicab Presumed to be for Hire

a. Taxicabs in cab stands and cab lines are presumed to be for hire for passengers approaching the cab stands or lines.
b. Taxicabs on the street are presumed to be NOT FOR HIRE if the taxicab’s top light is off and/or a “NOT FOR HIRE” sign is conspicuously visibly displayed on the back of the passenger-side sun visor facing the exterior of the taxicab.

RULE CH5.07 Geographical Knowledge and Route

a. For purposes of this section “direct route” means: the shortest legally drivable distance between two points based on mileage and road conditions.

b. Public chauffeur licensees are required to know or have reference material immediately available to determine the location of and the direct route to any requested destination located within the City of Chicago.

c. Public chauffeur licensees must take the most direct route to the passenger’s destination unless specifically directed by a passenger to take an alternate route.

d. Any public chauffeur licensee who on their own initiative deviates from the direct route must obtain verbal permission from the passenger.

e. The passenger always has the option to direct the route taken and the public chauffeur must follow any route directed by the passenger.

f. Public chauffeurs who need to consult reference material to determine the direct route to a passenger’s destination may do so for a reasonable time provided that the meter is not activated during such time and the vehicle is safely pulled over.

g. No public chauffeur may transport any passenger to any place other than the specific destination to which the passenger has requested.

RULE CH5.08 Professionalism and Vehicle Operation

All public chauffeur licensees when in possession of or operating a taxicab licensed pursuant to MCC 9-112 or public passenger vehicle licensed pursuant to MCC 9-114 must:
a. Maintain a professional demeanor and/or appearance at all times.

b. Not insult, use profane language, racial slurs, or obscene gestures around any person.

c. Not assault, physically attack, touch, or harm any person. A violation of this rule is considered an aggravated offense.

d. Operate a taxicab or public passenger vehicle in a safe and lawful manner at all times. Conduct constituting a violation of this rule includes, but is not limited to, operating a taxicab or public passenger vehicle in such a manner as to constitute a violation of any provision of Articles 2 through 12 of the Rules of the Road of the Illinois Vehicle Code (625 ILCS 5/11-100 et seq.) or any other similar local and state laws.

e. Not, with a passenger in the taxicab or public passenger vehicle, use a mobile telephone, computer, notepad, or any other electronic device, whether or not hands-free, while operating such taxicab or public passenger vehicle. A public chauffeur may use a hands-free electronic device that is essential to servicing passengers, i.e. GPS navigational technology or dispatching equipment, as long as the use of the hands-free device does not result in distracted driving.

f. Not, while under influence of alcohol, a controlled substance, cannabis, or any similar substance, operate a taxicab or public passenger vehicle, or consume or possess any alcohol, controlled substance, cannabis, or any similar substance. A violation of this rule is considered an aggravated offense.

RULE CH5.09 Confiscation of Public Chauffeur License

a. Authorized Personnel may confiscate a chauffeur license card when:

1. the chauffeur license or driver’s license is expired, suspended, rescinded, canceled or revoked; or

2. as part of an investigation, including but not limited to possible fraud or forgery of the chauffeur license card.
b. Upon any suspension or revocation of their public chauffeur license or state issued driver's license, all chauffeurs must report to the Department's public passenger vehicle licensing facility and surrender their public chauffeur license within one (1) business day. A violation of this rule subsection is considered an aggravated offense.

RULE CH5.10 Display of Chauffeur License

a. A public chauffeur must visibly display in approved display holder his or her public chauffeur license card when the public passenger vehicle is in operation or when there is a passenger in the public passenger vehicle.

b. Only the public chauffeur license of the lessee driver may be on display.

RULE CH5.11 Tampering with Documentation Prohibited

No public chauffeur shall alter, forge, or in any manner tamper with any documentation, including but not limited to, licenses, license applications, airport short trip/fast lane tickets, vouchers, or taxi fare receipts. A violation of this rule is considered an aggravated offense.

RULE CH5.12 Tampering with Electronic Devices Prohibited

No public chauffeur shall tamper with any electronic devices within the public passenger vehicle, including but not limited to security cameras, credit card machines, taximeters, passenger information monitors, driver information monitors, and dispatch equipment, including MDTs (digital or voice radio systems). A violation of this rule is considered an aggravated offense.

RULE CH5.13 Chauffeur to Keep Copy of Current Lease in Possession

a. Every taxi chauffeur who leases a taxicab must have a completely executed and current lease agreement in their possession whenever they are in possession of a taxicab,
and they must provide the lease for examination upon demand by Authorized Personnel.

b. Lease agreements may be in paper or electronic form. The form must be approved in advance by the Commissioner.

c. The owner of the taxicab does not need to possess a lease agreement if that same owner is also the driver of the taxicab.

RULE CH5.14 Deceptive Act

Public chauffeurs, when in possession of or operating a taxicab or public passenger vehicle, must not commit any deceptive act or act of theft against any person. A violation of this rule is considered an aggravated offense.

RULE CH5.16 Lost and Found

All public chauffeurs have an affirmative duty to take reasonable and diligent steps to return any lost articles recovered in a vehicle to the rightful owner. Reasonable and diligent steps may include taking and delivering lost property to a police station. If charged with a violation of this rule, a public chauffeur may present evidence in his or her defense, detailing the reasonable and diligent steps the public chauffeur took in his or her attempt to return the found item(s) to the rightful owner. Upon pre-approval from the owner of the lost item, a public chauffeur may charge the applicable fare rates, for distance and time traveled, when traveling to return a lost article to the owner.

RULE CH5.17 Requests by Passengers

Public chauffeurs must comply with the requests of passengers concerning:

a. The activation of the air-conditioning system or the heating system of the vehicle;

b. The raising or lowering of any of the vehicle’s windows;

c. The volume of any electronic device within the vehicle.
SECTION 6. VEHICLES AND VEHICLE EQUIPMENT

RULE CH6.01  Vehicle Unfit for Public Use

a. No public chauffeur licensee shall operate a taxicab or public passenger vehicle that is unsafe or damaged in such a way as to affect the safe operation of the vehicle.

b. No public chauffeur licensee shall solicit or accept passengers in a taxicab or public passenger vehicle unless the vehicle is in a clean condition. Minimum standards of cleanliness include, but are not limited to:

1. The interior of the taxicab or public passenger vehicle (including the trunk) must be kept free from all waste paper, cans, garbage, protruding objects or any other item not intrinsic to the vehicle or to the conduct of operating the vehicle;

2. The interior of the taxicab or public passenger vehicle (including the trunk) must be free from all dirt, grease, oil, adhesive resin, or any other item which can be transferred onto a person, clothing or possessions of a passenger by contact; and

3. The interior of the taxicab or public passenger vehicle must be kept free of any noxious or unpleasant odors.

RULE CH6.02  Taximeter

No taxi chauffeur shall operate a taxicab equipped with an inoperable taximeter or a broken Department seal.

RULE CH6.03  Taxicab Fares

a. Taxi chauffeurs must always activate the taximeter whenever the taxicab is engaged for hire.

b. Unless otherwise provided in the MCC, no taxi chauffeur shall demand, charge, or collect any fare which exceeds any rate established by City ordinance.
c. All tips are at the discretion of passengers and no taxi chauffeur shall ever demand or request a tip.

d. No taxi chauffeur shall request prepayment of the taxi fare.

**RULE CH6.04 Payment of Taxicab Fares.**

a. Taxi chauffeurs are required to accept cash and readily accepted forms of electronic payment, including major credit and debit cards, for cab fare payment processed on equipment approved by the Department.

b. A credit card must be accepted as follows:

1. No minimum charge may be imposed for the use of an electronic form of cab fare payment;
2. Service may not be refused to any person desiring to use an electronic form of payment described in section (a) of this rule; and
3. Electronic payments may only be processed on the Department approved rear mounted credit card processing equipment. If the approved credit card processing equipment is not operational, the taxi fare payment must be called into the applicable affiliation or contracted electronic payment processing company for processing. A taxi chauffeur processing electronic taxicab fare on unauthorized equipment is subject to license suspension or revocation and may be required to refund the taxicab fare processed on the unauthorized equipment.

c. Public chauffeur licensees shall safeguard all financial information and must not store, keep, or personally retain any passenger's personal and financial information.

**RULE CH6.05 Credit Card Processing Convenience Fee**

The convenience fee or technology fee referenced in MCC 9-112-600 (b-1) for non-cash payment of taxicab fares, may only be collected via the rear-seat installed credit card processing equipment. The convenience fee must be pre-programmed in the electronic transaction process. A taxi chauffeur may not add the convenience fee manually as a meter extra nor request the payment of the convenience fee for unauthorized non-cash payment processing.
RULE CH6.06 Receipts

Public chauffeurs must offer the passenger a receipt, unless declined by the passenger. The receipt must include a breakdown of all fare charges and any tip. The receipt may be sent to a passenger electronically if requested by the passenger and the capability exists to do so.

RULE CH6.07 Required Signage Inside and Outside Taxicabs

a. Taxi chauffeurs shall exercise due diligence ensuring that mandated signage, decals, and bumper stickers are affixed inside and outside the taxicab as required while driving the taxicab with passengers.

b. If a taxi chauffeur is charged for a violation failing to operate a taxicab with BACP required signage, the taxi chauffeur may present a defense to the charge by establishing that the violation was corrected within two business days.

RULE CH6.08 Required Vehicle Lights Must be Operational

a. Public chauffeur licensees shall exercise due diligence ensuring that mandated vehicle lights (top light, headlights, taillights, break lights, etc.) are operational and lit as required while driving the taxicab or public passenger vehicle.

b. If a public chauffeur licensee is charged with a violation for failing to operate a taxicab or public passenger vehicle with required operational vehicle lights, the licensee may present a defense to the charge by establishing that the violation was corrected within two business days.
SECTION 7.  TAXICAB TWO-WAY DISPATCH TECHNOLOGY

RULE CH7.01  Two-Way Dispatch Equipment and E-Hail Dispatch Apps

Taxi licensees and taxi chauffeurs are required to participate in E-Hail Dispatch Apps approved by the City of Chicago Consolidated Taxicab Dispatch (E-Hail) Program pursuant to MCC §9-112-565.

The Department shall publish and post compliance requirements for taxi chauffeurs to follow, participate, and support the City of Chicago Consolidated Taxicab Dispatch (E-Hail) Program at the Department Web page.

SECTION 8.  OPERATIONS AT AIRPORTS

RULE CH8.01  Airport Protocols

a.  All public chauffeurs operating at O’Hare International Airport or Midway International Airport must follow instructions from designated Authorized Personnel or applicable protocols or be subject to enforcement which may include, but is not limited to, citations, arrest, vehicle tow, or vehicle impoundment.

b.  Public chauffeurs and their vehicles must be in compliance with all applicable Federal, State, and City laws at all times while operating at airports.

c.  All public chauffeurs shall collect and remit applicable taxes and fees as required by city, state, and federal laws.

d.  At either airport a public chauffeur may not approach prospective riders or passengers to solicit rides. Solicitation includes, but is not limited to, approaching a prospective passenger inside or outside airport terminals, and/or use of verbal language and/or written materials disseminated to prospective passengers in order to induce passengers to request rides.
RULE CH8.02  Airport “Short Trip”

a. “Short Trip” means a passenger’s destination is within the following boundaries or suburbs for a trip originating at the specified airport:

d. Taxi chauffeur’s Short Trip responsibilities:

1. A taxi chauffeur returning from a Short Trip shall enter the designated Short Trip lane in the staging area provided his receipt shows no more than the time specified Rule CH8.03(c) has elapsed since the Short Trip commenced.

2. Upon taking his place in the Short Trip lane, the taxi chauffeur shall exit the cab and go to the Staging Area Attendant’s booth and present his valid receipt to the Staging Area Attendant for approval.

3. If the Staging Area Attendant approves the receipt and issues a Short Trip ticket or voucher, the taxi chauffeur shall enter the required data on the dispatcher log and return to his vehicle.

4. The taxi chauffeur shall wait for the Staging Area Attendant’s approval before proceeding to the directed taxicab chute area.

5. Upon entering the taxicab chute area the taxi chauffeur shall take the rearmost position in the chute area lane. The taxi chauffeur shall give the Staging Area Attendant his receipt and Short Trip ticket.
6. The taxi chauffeur shall proceed to the chute, and follow normal airport taxicab line procedures for entering terminals.

e. Any incentive program that disburses short trip/fast lane access vouchers to taxi chauffeurs, unrelated to the transportation of short trip fares, must be approved by the Department before implementation.

**RULE CH8.04 Airport Taxi Shared Ride**

As referenced in MCC 9-112-560 (f), airport taxi “Shared Rides” are flat taxi shared rides that allow two or more independent travelers to choose to share a taxi from a designated airport cab stand for a flat rate per person. Authorized Personnel have complete authority to make final decisions pertaining to the loading of Shared Ride passengers at the airports. Taxi chauffeurs must follow the instructions of Authorized Personnel at all times.

**SECTION 9. WHEELCHAIR ACCESSIBLE VEHICLES**

**RULE CH9.01 Wheelchair Accessible Vehicle (WAV)**

No passenger in a wheelchair shall be transported in a wheelchair accessible vehicle (WAV) unless the wheelchair is properly secured by tie-downs or other systems approved or required by the Americans with Disability Act and rules and regulations promulgated thereunder. Taxi chauffeurs have an affirmative duty to make sure that passenger using wheelchairs are properly secured in WAV taxicabs before initiating transportation.

**RULE CH9.02 Specialized WAV Training**

All taxi chauffeurs must complete and pass the BACP-approved Accessibility Course on servicing passengers with disabilities before leasing or operating a WAV for the first time.

**SECTION 10. TAXI CHAUFFEUR REBATE PROGRAM**

**RULE CH10.01** Pursuant to MCC 9-104-100, taxi chauffeur license applicants and taxi chauffeur licensees may be eligible for the following rebates:
a. Taxi chauffeur license applicants may be eligible for a one-time reimbursement of authorized taxi chauffeur training course tuition in excess of $50.00 associated with the issuance of a taxi chauffeur license, if that course has been approved by BACP.

b. Taxi chauffeur license applicants may be eligible for a one-time reimbursement of up to $50.00 of the total cost of the required fingerprinting background check associated with the issuance of a taxi chauffeur license.

c. Taxi chauffeur licensees renewing their taxi chauffeur license may be eligible at time of license renewal for reimbursement of up to $25.00 of the total combined costs of the required drug test and physical examination costs associated with the renewal of a taxi chauffeur license.

**RULE CH10.02**
