IT'S A LOCAL FARE ANYWAY

Call-n-Ride

Call-n-Ride is a personalized bus service that travels within select RTD service areas. Get to work, school, go shopping, or out on the town on your schedule with just one call.

Call-n-Ride offers the environmental and economic benefits of mass transit — at your convenience. Make your reservation and we'll provide an estimated pick-up time. When the bus arrives, pay your exact cash fare. It's that simple.

Drivers may combine trip requests to create shared rides, so you may even make some new friends along the way. Service is available on a first-come, first-served basis.

Call-n-Ride fares (one way)

Regular	Discount
\$2.25	\$1.10

Discount fares apply to seniors (65+), individuals with disabilities, Medicare recipients and elementary, middle and high school students, ages 6–19. Children 5 years of age or younger ride free with a fare-paying adult. RTD passes and tickets are accepted on Call-n-Ride. Passengers with valid RTD Access-a-Ride ID cards ride free on Call-n-Ride.

Make a reservation

Call the driver in your desired service area and request travel at least one hour or up to two weeks in advance. You can even use our subscription service to schedule recurring trips.

You can also book your trip online at rtd-denver.com. Register or log in and book at least two hours prior to departure. Subscription trips can also be booked online. In order to use our online booking service, your telephone number must be in our system from a previous Call-n-Ride trip.

Flex routes

During certain high-traffic hours, as a service to commuters and office parks, we modify our Call-n-Ride service to make scheduled stops in designated areas. These flex routes are available in Meridian, North Inverness, and South Inverness.

All RTD vehicles are wheelchair accessible.
