12 Be it ordained by the People of the City and County of San Francisco:

13 Section 1. Findings. The Board of Supervisors hereby finds and declares:

14 (a) San Francisco is committed to protecting the public health, safety, welfare and  
15 environment. Air pollution is one of the major public health threats in San Francisco and  
16 contributes to asthma and other respiratory diseases. Encouraging commuters to use public  
17 transit and vanpools to reach their place of employment will reduce air pollution from private  
18 cars.

19 (b) In 1971, San Francisco adopted a Transit First policy to guide its land use  
20 decisions. Encouraging more commuters to use public transit furthers the City's goals to  
21 maximize the public's use of public transit.

22 (c) Existing Federal Tax law, 26 U.S.C. § 132(f) [Internal Revenue Code], allows  
23 employers and employees to reduce the cost of public transit by enabling employers to deduct  
24 as a business expense, qualified transportation benefits that the employer provides for  
25 employees' *personal* transportation costs for commuting to and from work, or by allowing

1 employees to elect to purchase qualifying transit passes or reimbursement for vanpool rides  
2 with pre-tax dollars.

3 (d) The City and County of San Francisco currently offers its 30,000 City employees  
4 the opportunity to elect to use pre-tax dollars to purchase qualifying transit passes and van  
5 pool transit through an Internal Revenue Code section 132(f) qualified Transit Benefit  
6 Program.

7 (e) The Department of the Environment currently administers a grant-based  
8 Emergency Ride Home Program, funded by grants from the Bay Area Air Quality  
9 Management District's Transportation Fund for Clean Air and the San Francisco  
10 Transportation Authority, that removes a major barrier to using public transit or van pools by  
11 reimbursing transit and vanpool users for taxi fares, car rental or similar expenses they incur  
12 to return home for a family emergency, or other urgent, unanticipated situation.

13 (f) The San Francisco Department of the Environment can assist employers in  
14 offering commuter benefits through its commuter benefits hotline, fact sheets, and other  
15 technical assistance.

16 (g) Commuter benefits programs will help the City achieve its goal to reduce CO2  
17 emissions within the City and County of San Francisco to 20% below 1990 levels by the year  
18 2012.

19 Section 2. The San Francisco Environment Code is hereby amended by adding a new  
20 Section 421, to read as follows:
