

RFP 17-0132
ADDENDUM No. 3
DATE ISSUED: August 30, 2017

Be advised that the Municipal Court is also located at the City Tower, and there is only one entrance into the building. Vendors will be required to park on the North side of the building and enter and pass through security at the North Entrance (through the metal detector). All packages can also be scanned. This could be a lengthy process. Bids/Proposals are due no later than **2:00 p.m., September 14, 2017**, to the Business Office, Purchasing Division, 101 S. Mesquite Street, 8th Floor, Arlington, Texas 76010.

This Addendum has been issued to the vendors who obtained the bid documents thru DemandStar and the City's Supplier Portal.

CLAIRFYING COMMENT

The RFP does allow for a firm to respond with a traditional TNC approach to providing vehicles (contracted drivers bringing their own personal vehicles), however the City's preference is to ultimately utilize a common, standardized fleet of vehicles for the service.
